## Homelessness Report 2018 Swansea Council Assessment

Further to my email below, I am writing in response to your request for information dated 20 September 2019.

We hold some relevant information and I attach the website review for Swansea together with a summary of the scores and anonymised ranking data.

Please note, however, that this information may be out of date. We recently published an [interactive data tool](#) alongside the Front Door to Adult Social Care study report. We reviewed websites as part of this study as well and have published the details in the data tool, which may therefore provide more up to date data. The full report is available at: <http://www.audit.wales/publication/front-door-adult-social-care>

If you have any queries, or questions about my handling of your request, please do not hesitate to contact me.

Yours sincerely  
Information Officer
