Who we are

The Wales Audit Office check how public money is being used in Wales.

Public money is money that is spent on services like education, health and social care.

If you are worried about the way an organisation uses public money you can tell us. For more information about this go to:

www.audit.wales/raising-concern.

This information is not in easy read.

We would like to get your views on what kind of work we carry out in the future.

To find out more about the work we carry out please look at our Annual Plan. This is not in easy read. You may need support to read it.

This can be found at this website address:

www.audit.wales/publication/annual-plan-201819

The surveys will help us support public services.

Please answer the questions to give us your views:

Question 1

What work should we check in the future?
