- Princes Trust programme

- Community Champions
Group leader development

- Community Champions
Outdoor Activities

Agored Cymru Accredited
Projects
including Park Pathways and
Rural Skills

- Cutting Docks, Bramble & Hedges

- Tree Identification

- Taster Course – Outdoor Activities

- Sustainable Woodland Management

Sustainability

renewable energy
Conservation
reducing consumption
recycling

Taking resources from future generation
Won't be available for the future
eg. oil, coal
Cutting down trees → loss of oxygen
more CO₂

- Maintaining a Wildlife Garden

- Practical Woodland Skills

- Geocaching

Inside Housing
