Software Systems

Please see below for the answers to the questions you asked in your email of 9 May 2017.

1. Does your organisation use any bespoke software systems?

No

2. Is your organisation in the process of exploring the scope or planning the procurement of a bespoke software system or an off-the-shelf commercially branded software system which you envisage will require bespoke development to fit your organisation's needs?

No

I have not applied any exemptions, but if you have any queries or concerns about my response, please email me.

Yours sincerely,
