Number of Fax Machines

I am writing in response to your request for information below dated 26 December 2018 in which you requested information regarding the number of fax machines we hold.

Whilst we have 2 multifunction photocopier devices which incorporate fax cards, neither of these are connected to a telephone line and so cannot send or receive faxes. Accordingly, we do not currently hold any working fax machines.

If you have any queries, or questions about my handling of your request, please do not hesitate to contact me.

Yours sincerely
Information Officer
