

Young people influencing decisions about what matters to them

Identifying barriers to involvement and engagement

Aims of the workshop

- To share ideas with others
- To explore potential barriers to involving young people
- To identify ways of overcoming these barriers
- Take away engagement tools that you can use within your workplace

Task

- Each group has a case study of a young person
- There are five stations around the room
- As a group, make your way around each station and complete the set tasks
- You have five minutes at each station and will be asked to feedback at the end

Feedback

Evaluation – Agree/Disagree
